WORKSHOP SERIES

Speaker:

**Datin Noor Shahalina
Binti Jamaludin**
Remisier JF Apex Securities Berhad

Overview

This online workshop aims to establish a deeper understanding and awareness about the prevailing trends and safe practices in the market. It will focus on investor education which would guide you on the art of financial goal setting and investment options. This workshop is specially organised by International Centre for Education in Islamic Finance (INCEIF) for our Alumni and Students. It is divided into 3 levels: Beginner, Intermediate and Advance where it will be discussing on basic type of investment and explore your mindset and relationship with money to help you determine how to make money work for you. It will help individuals build confidence and knowledge to make strategic investments. Towards the end of completing the workshop, participants will have better understanding of stocks, IPOs, Markets, Trading Plan, Money Management, Broker Platform and Zakat on shares.
