

Micro-Certification

from MBA (Sustainable Business)

INCEIF Micro-Certification programme offers the convenience of a personalised education at your own pace. Learners embark on a continuous upskilling journey without the worry of a long-term commitment while maintaining a work-life balance. Another advantage is the opportunity to add on courses, and eventually be awarded with a full-fledged Masters programme.

INCEIF Micro-Certification MBA (Sustainable business) is a face-to-face programme that allows learners the opportunity to interact with seasoned leaders where invited industry speakers share on the practical aspects of Islamic Finance and sustainable business.

This programme aims to impart the know-how of various aspects of Islamic finance, allowing learners to discover opportunities and pathway towards inclusive and sustainable solutions.

What Are Micro-Certification?

Micro-Certifications are short, competency-based courses that allow learners to demonstrate mastery in a particular area. Choose those that interest you and complete them when and how you choose!

Learn On Demand

- 1 The concept of learning just-in-time, just enough and just-for-me (personalised).
- 2 Learn in-bite-sized modules and earn micro-certificates.
- 3 Collect your micro-certificates, bundle them and get a higher qualification.
